Finding the club you want join

If you do not already have an account in ENgage, first visit engage.EnglandNetball.co.uk/Organisation/Dashboard. If you wish to register to a particular club, before creating an account you should find the club you wish to register to using the “Find Club” field, as shown below.

The screenshot shows the top navigation bar of the ENgage website. Below the navigation bar is a search area with a 'Find Club' input field, a search icon, and a 'Log in' button. The 'Find Club' field is highlighted with a red border. Below the search field is a 'Name' input field. To the right of the search field is an 'ENA ID' input field.

Select the club from the “Organisations” list.

The screenshot shows the 'Organisation List' search results page. The page has a header with the 'England Netball' logo and the text 'ORGANISATION LIST'. Below the header is a search bar with 'Search' and 'Cancel' buttons. Below the search bar is a 'Filter' section with three input fields: 'Name' (containing 'London'), 'Post Code', and 'Type' (containing 'Club'). Below the filter section is a list of 'Organisations'. The first organisation listed is 'London Lionhearts Club', which is highlighted with a blue border. The logo for 'England netball' is visible in the bottom left corner of the highlighted box.

Once you have selected your chosen club, the top of the screen should change from “England Netball” to the club’s name, as shown below. Then select “Create Account”.
